

# Do you want your claims reimbursements faster?

## What is My Canada Life at Work™?

A user-friendly and integrated platform designed to streamline the management of employee benefits and retirement savings for CADA 360 plan members.

If you already have a Group Retirement Savings or My Canada Life at Work account, you don't need to register. Just download the app use your existing login information.

### If not, Step 1 is to Register:

### Step 2 is to download the app:

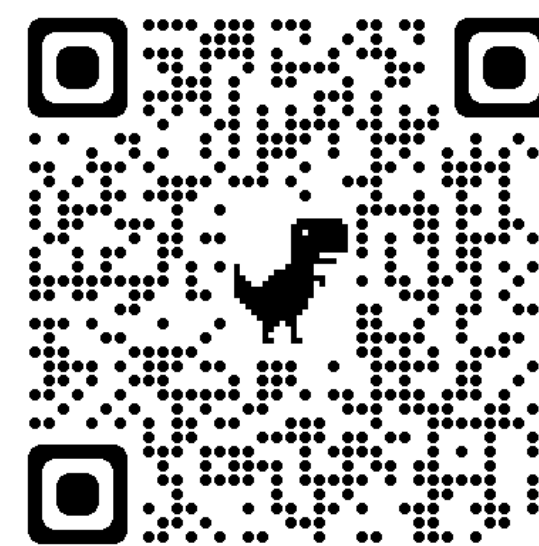

## Why should I register?

- Submit claims online for faster processing times, typically within 48 hours.
- Access information on coverage, balances, and claim history.
- Download claim forms for added convenience.
- Sign up for direct deposit and have your reimbursement deposited directly into your bank account.
- Save a digital copy of your benefits card for easy retrieval.

## Still Unsure?
