

Preferred Provider Network (PPN) - Rexall

If you live in **Ontario, Manitoba, Saskatchewan, Alberta or British Columbia**, you have access to preferred pharmacy services with Rexall.

Why Rexall?

CADA has added Rexall as another tool to help make it easier to check things off your to-do list with respect to your day-to-day lifestyle needs.

The **Rexall staff themselves are on the Reformulary** and can provide first-hand experience to assist you with questions. For general coverage inquiries, you will need to contact Canada Life Group Customer Contact Services at 1-877-650-0003.

Below is a list of some of the benefits available through your local Rexall pharmacy:

Plan members enjoy **automated savings** on prescription medications and lower dispensing fees* when they present their Pay-Direct Card at a Rexall pharmacy.

* varies by province due to Provincial regulations

Rexall has a **network of 390+ locations** and 1,000+ Canadian pharmacy professionals, who collectively speak 100+ languages.

We offer a **unique, modern and efficient way of filling prescriptions** including Rexall Direct for prescription deliveries. Rexall Direct delivers medication directly to patients, anywhere in Canada at no additional cost.

Rexall offers a variety of medication management tools + pharmacy services. Whether it's automatically refilling prescriptions or syncing them all for pick up in one visit, these tools will help you stay on track with your medications. Solutions like [Auto Refill](#), [RightDose™](#), [Medication Dashboard](#) and [Medication Review](#).

Prescriptions can be provided in blister packs at no additional cost, which can help **simplify medication management**, reduce the risk of missed or double doses, and improve overall medication safety and adherence.

Other [online health services](#) include virtual pharmacies, doctors, and health services.

Our [Be Well™](#) app makes it simpler than ever for patients to manage prescriptions for themselves and all their loved ones, including pets!
